

Unlocking the future of material handling

Elevating safety, maximizing uptime, empowering progress

Range Brochure 2025

Partnering businesses for growth

The Material Handling Equipment business of Godrej & Boyce, part of the Godrej Enterprises Group, has been moving your business forward since 1963. With solutions created to tackle the demands of Indian conditions, we ensure that your operations stay productive and efficient, no matter the challenge.

Our wide range of products and services is designed to help you get the most out of your business. As India's largest forklift manufacturer, we're always close by, with fast, reliable service – most often, within 24 hours – so you can keep your business running smoothly.

With 1800+ units on rental, we are a one – stop solution for those who want to run an asset-light business. Whether you need maintenance, rentals, or tailored solutions, we're here to support your growth and help your business move forward.
